

rescue-tec Locker Organizer Idstein, with magnetic holder, with individual text

Order number: TA-01200I

This organizer creates order in the locker. It can be easily attached to the inner wall or door of metal lockers using four concealed magnets. Alternatively a metal eyelet is incorporated for easy hanging.

For valuables, a zippered compartment is provided. Here purse, smartphone and keys find a discreet place. In the underlying compartments, e.g. a fresh T-shirt or sweatshirt, socks, shower gel, deodorant, cap or gloves can be accommodated. Thus, all private items are separated from the operational clothing and stored clearly. The nylon fabric is easy to clean. (without content)

- secure attachment through concealed sewn-in magnets
- valuables can be stowed discreet

• clean replacement clothing and toiletries are separate from the work clothing

The organizer comes with its own labeling request. The zipper bag offers enough space ($26 \times 17 \text{ cm}$) for the vehicle name or the name of the district or both.

material: nylon dimensions: 97 x 41 cm weight: 0.372 kg

Please ensure sufficient contrast between bag's basic colour and text!

This is an individual product. It can not be exchanged.
