

Folding Traffic Cone Pro, flashing, 50 cm

Order number: TH-01240

Folding traffic cone with integrated light. Exceeds traffic cone requirements. The Pro versions of the folding traffic cone are characterized by their increased robustness and heavier weight. This means that they are also suitable for heavily used roads and motorways.

- has all of the characteristics of the standard folding traffic cone
- more stable because of heavier weight
- greater stability because of moulded rubber base
- ideal for car breakdowns and for marking cordoned-off areas and danger areas
- visible from all directions (360°)
- simple to use
- compact and easy to stow away, fits in any boot and beneath car seats
- lightweight but extremely stable due to extremely low centre of gravity
- clearly visible reflectors (more than 300 m)
- with integrated, powerful flashing lights for better visibility in the dark or in diffused light
- flashing facility, water spray protected
- battery service life more than 300 hours

supplied with:

bulb
