

rescue-tec Changing place, Tarp 1.5 x 1.5 m

Order number: TH-01310

Stay clean! With the rescue-tec changing place tarpaulin, a changing place or storage area for organizing material is prepared in no time at all.

- compactly stowed - quickly and easily laid out on site
- easy to fix tarpaulin with stable eyelets
- versatile uses
 - underlay at the place of use
 - device storage in THL use
 - storage of BA
 - storage of contaminated operational clothing

Material: PVC coated polyester

Dimensions: 1.5 x 1.5 m

Tear-resistant and robust, the tarpaulin offers a wide range of possible uses. And after use, it is quickly cleaned again thanks to the waterproof and dirt-repellent coating. Strong eyelets in the edge area make it possible to fix the tarpaulin properly even in windy conditions.
