

Tripod Stand, DIN 14683

Order number: TH-04100

Lightweight tripod for one searchlight with clamp in acc. with DIN 14640. The tripod can be quickly and easily adapted to uneven terrain using the three extending legs. The profiled feet ensure that the tripod is securely anchored. The steel tubes are electro galvanized or painted in warning colour yellow RAL 1012. In the collapsed condition, the tripod can be secured using a captive tension strap.

extended height: 1.82 m
collapsed length: 1.15 m
maximum load: 13 kg
weight: 4.3 kg
