

PIG Grippy Floor mat, self-adhesive, 15m roll

Order number: TH-07507

Ideal for the walkways in the tool shed, the vehicle hall or the changing room. The absorbent mat keeps high traffic areas clean and prevents slips and falls. Thanks to the adhesive backing, the mat does not slip or form wrinkles.

- prevents dirt, salt and moisture from spreading on the floor
- stays firmly on the floor, but can be easily removed
- adheres to most commercial floor surfaces including: concrete, vinyl tile, ceramic tile, engineered stone and linoleum
- high durability that can withstand heavy traffic - including forklifts
- remains in place for up to 6 months depending on conditions and mechanical stress
- easy to clean, even with floor cleaning devices

Width: 91cm

Roll length: 15 m

Easy to use: Can be rolled out coherently in entrances and walkways; without gaps, folds or overlaps that create a risk of slipping or falling. Easy to clean: You can sweep, mop, vacuum or run over the Grippy mat with your wet vacuum or floor cleaning device - it won't slip. Easy adjustment: You can cut suitable floor mats for transition areas and wet problem areas.
