

UK 2AAA Penlight eLED ATEX, incl. batteries

Order number: TL-01060

Small, handypen torch. Ideal for maintenance and inspection work wherever explosion protection is required. This small and lightweight torch can be carried in you pocket like a ballpoint pen using the clip attached to the housing, and is therefore ready for use at all times.

The lamp is available with eLED bulb in saftyyellow and black. The eLED technology provides excellent luminance and will provide light for an extremely long time with one battery charge. The rear switch ensures that the lamp can also be operated one-handed.

supplied with:
2 AAA batteries

dimensions: 132 x 22 x 22 mm
