

PELI™ 3415ZOM LED Hand Lamp, ATEX Zone 0, 90° swivelling angle, 329 lumens

Order number: TL-02270

The 3415 is a safety certified compact work light. The Class I II III Division 1 certifications provide the security needed for most hazardous locations. The 3410 is equipped with both a spot and flood LED for close-up as well as distance, so you can have wide area light in the immediate work area and still penetrate darkness hundreds of yards away. It can be activated to run one or both LEDs with 3 levels of brightness. The articulating head and built-in clip allows the light to be directed wherever it is needed.

- articulating Light Head
