

## Headlamp KS-7090, 216 lumens, ATEX Zone 0

**Order number:** TL-05045

Battery-powered head/helmet luminaire for hazardous areas in industry.

With correct care and handling, this light can be used maintenance-free for several years. The housing is of course resistant to most chemicals, alkalis and various oils and can be cleaned under running water thanks to its high IP protection.

The light can be worn on a helmet as well as directly on the head - the rubberised retaining strap always guarantees a secure hold!
