

PARALUX PX1 Helmet lamp, 120 lumens, ATEX Zone 0

Order number: TL-08000

The PARALUX PX1 is not only 100 % waterproof, but also comes with a sturdy rubberized lamphead with EX-protection. The flashlight fits snugly into the hand and is at the same time designed for use in harsh environment; thanks to its rubberized rear switch, it can also be easily operated with just one hand. This flashlight produces up to 120 lumens and maintains this power for up to 15 hours. As the lamp is made completely of non-conductive plastic material, even hazardous surroundings mean no problem.

- rubberized rear switch for one-hand operation
- 100% watertight
- made of non-conductive plastic
- **compatible with almost all helmet mounts and with our PARASNAP**
