

## PARALUX PX2 Helmet lamp, 30 lumens, ATEX Zone 1

**Order number:** TL-08020

The slim housing of the safety lamp is made of non-conductive polycarbonate. The used material is very robust and 100 percent waterproof and dustproof. For comfortable one-hand operation, there is a rubberised button in the rear of the lamp. The tail button allows easy turning on and off the lamp. In the front part of the lamp a rubberized luminaire head is installed. The lamp head is coated with aluminum and equipped with a long-life LED lamp. The safety light is prepared for the PARASNAP system and can thus be attached to helmets.

- 100% waterproof and dustproof
- made of non-conductive plastic
- clip to attach to belt or bag
- rubberized rear switch for one-hand operation
- rubberized lamp head
