

## Fire Brigade Hatchet incl. Post Wrench, DIN 14925

**Order number:** TO-03200

Red-painted head with ground splitter and narrow pike at the other side, with oval tubular steel handle inserted into the head. Non-slip rubber hand guard with integrated triangular key for bollards, hydrants etc. The integrated bollard key makes this quality hatchet ever more useful to firemen and increases the number of uses considerably. Sturdy forged and smartly chromeplated triangular socket spanner insert integrated in end of handle. The hatchet therefore makes it possible to open any posts or bollards in accordance with DIN 3222.

length: 33 cm

weight: 1 kg
