

Vallfirest Forest Fire Tool Gorgui Classic

Order number: TO-03386

The multi-function tool Gorgui Classic was specially developed for fighting forest and vegetation fires and is the smaller and lighter brother of the Gorgui V2. It combines the most common forest fire tools in one tool and can be used in a variety of ways on all possible surfaces.

- combines McLeod, Pulaski, rake and hoe in one all-in-one tool
- ergonomic, 1.25 m long handle made of eucalyptus wood
- removable head

weight: 2.1 kg
