

Nupla Kombi Changing System

Order number: TO-03390

This replacement system makes it possible to use different tools with a Nupla fibre glass handle. This makes the use of this extremely sturdy and robust tool handle even more attractive. Of course, just like the extension and the different tools, the replacement handle has all of the benefits of the special Nupla material. A maximum of three parts can be combined.

supplied with:
ceiling hook part
rake hook part
D-grip handle
120 cm extension

Advantages of Nupla fiberglass handles:

- optimum strength-to-weight ratio
- excellent dielectric properties
- reduced transfer of vibrations
- anti-static
- does not conduct heat/cold
- life span up to 40x longer than wooden handles
- does not absorb moisture
- insulation over 20.000V
- fire retardant
