

VLITEX Fire containment cover, ca. 1,25 x 1,05 x 1,10 m

Order number: VB-01055

Batteries have become an indispensable part of our lives. But the danger they pose should not be underestimated. Almost every day, battery fires reduce entire warehouses or residential buildings to rubble and ashes.

With the VLITEX fire extinguishing hood, pallets and lattice boxes can be closed very easily, so that the surrounding area can be separated without great danger in the event of a fire.

Dimensions: 1,250 x 1,050 x 1,100 m
