

Palm Index Neosocks

Order number: WR-03110

The Index is a lightweight, warm, 2 mm titanium neoprene sock, ideal for use inside river shoes.

Titanium neoprene is a very thin and flexible titanium coating added to the neoprene, reflects body heat back toward you, reducing heat loss.

- 3D pattern to contour the foot
- flatlock stitched for comfort

material: 2 mm Titanium CR neoprene

weight: 80 g (8)

colour: black/grey

sizes: S-XXL / UK 5-14 / EU 38-49
