

neo-slix Spray, 250 ml

Order number: WR-10010

After using neo-slix you can slip in and out of your Neoprene suit with no problem. Reduces the dressing time by up to 60 % and prevents skin grazing from uncomfortable or tight-fitting Neoprene. At the same time it protects the suit, then pushing or pulling on the Neoprene is no longer necessary. Suitable for Neoprene, Silicone, rubber and Latex seams. No allergic reaction and environmentally friendly.

content: 250 ml
