

HAIX Black Eagle Safety Pro low, S3 Safety Shoes, black-silver

Order number: WW-01360

Extremely robust, yet light as a feather and breathable!

Upper material

Combination of microfiber and extremely cut- and abrasion-resistant textile material.

Inner lining

GORE-TEX Extended - waterproof and highly breathable. Abrasion-resistant lining material with maximum climate comfort, especially for flexible interchangeable use indoors and outdoors and in warmer temperatures.

Insole

Comfortable, cushioning and moisture-wicking. Separate heel cup ensures good cushioning and foot guidance. "AIRFLOW" channels. "Perfect-Fit" marking for optimal checking of the correct shoe size.

HAIX Anti Slip

Very good grip on different terrains thanks to the tread design and the special rubber used.

HAIX Absorption

Cushioning with a cushioning wedge incorporated into the sole.

HAIX Protective Sole

Lightweight and metal-free penetration protection against sharp objects.

Sole

Modern, lightweight sports shoe sole construction with rubber road/terrain profile, increased rolling comfort, highly abrasion-resistant and non-slip - even in cold conditions. The PU cushioning wedge with its low weight ensures excellent running characteristics. Heat-resistant, cold-insulating and fuel-resistant in accordance with EN ISO 20345:2022, non-marking.

**ESD**

Electrostatic dissipative footwear tested according to EN 61340-4-3:2002, EN 61340-5-1:2008.

HAIX Protective Cap

Cap for additional protection and high resistance to abrasion.

HAIX Composite Toe Cap

Anatomically shaped, ultra-light protective cap made of fiber-reinforced plastic for the highest safety requirements.

HAIX Smart Lacing

Smooth and pressure-free adjustment of the shoe to the foot, quick-release fastener and lace pocket.

Other features

Lightweight, metal-free, certified for orthopaedic insoles

available sizes: UK 4 - 12 / EU 37 - 47
