

HAIX Black Eagle Safety 50 High, S3 safety boots

Order number: WW-01470

Upper Material

1.8 – 2.0 mm thick Waterproof, Hydrophobic and Breathable Leather

Inner Lining

waterproof and highly breathable GORETEX layer Extended Comfort laminate. Abrasion resistant lining with optimised. Climate comfort for higher activity levels and for changing indoor and outdoor use

Insole

comfortable, well cushioned, moisture resistant and anti-bacterial insoles. Separate heel section for improved cushioning and enhanced fit. "AIRFLOW" channels help keep the foot cool, plus "Perfect-Fit" marking to ensure correct fit

Anti Slip

perfect grip on different terrains, due to optimised tread pattern and special rubber compound

Puncture Resistant Midsole

flexible, Lightweight and completely metal free puncture resistant midsole

Sole

lightweight and Athletic sole construction with a high level of slip and abrasion resistance, offering improved heel to toe control in all weather conditions. The lightweight PU cushioned sole provides optimum comfort as well as excellent thermal insulation. The non-marking rubber outsole is also resistant to heat, oil and gasoline

ESD

electrostatically conductive footwear tested according to DIN EN 61340-4-3:2002

HAIX Composite Toe Cap

anatomically formed and ultralight protective toe cap made of fiber-reinforced plastic for highest safety requirements

**HAIX Climate System**

HAIX Climate system with Micro-Dry lining releases hot air through vent holes at the top of the boot, keeping the foot cool in all conditions

HAIX Vario Wide Fit System

choose from 3 different inserts to adjust the boot to the width of your foot

HAIX 2-Zone Lacing

Two Zone Lacing System allows the wearer to 'lock-off' the fit on the bottom section of the boot, while adjusting the top section

Sun Reflect

reducing heating effect of the upper leather by direct sunlight. Sunlight is reflected by the leather, keeping the feet cool

HAIX Smart Lacing

smooth and non-pressure adjustment of the boot to the foot, Quick lock and lace pocket

Others

additional manually applied rubber 'toebumper' for improved durability, plus enhanced heel bend for improved flexibility and comfort, leg height 20 cm, antistatic
